USER MANUAL – TOKEN TRADING SYSTEM

This app is designed to facilitate token trading between students in different halls. Users can log in, sell their meal tokens (lunch/dinner), or buy available ones from others.

After Logging In, Users Can:

- **Sell Tokens**
- Choose hall
- Select meal (Lunch/Dinner)
- Enter number of tokens Must sell before 2 PM (Lunch) or 10 PM (Dinner)
- **Buy Tokens**
- Select hall
- Choose meal
- Enter number of tokens
- System finds available sellers
- Displays contact info of sellers after purchase

- **Display Tokens**
- View all available tokens per hall
- Seller name, number of tokens, timestamp
- **Remove Users (Admin Only)**
- Admin (hardcoded creds) can remove users
- Useful for cleanup/abuse prevention
- Admin Credentials (for testing): Username: admin
- Roll: 000000
- Mobile: 01111111111
